Welcome to a home where thoughtful updates and inviting outdoor spaces come together to create the perfect place to live, relax, and entertain.

This beautifully updated 4-bedroom, 3.5-bath residence has been redesigned with a more open floor plan, creating seamless flow between the living spaces and kitchen. The remodeled kitchen is equipped with granite countertops, a gas cooktop, double ovens, and modern finishes that make both everyday meals and special occasions a pleasure.

Comfort extends throughout the home with the addition of a zoned HVAC system, while outside you'll discover two distinct backyard retreats. One offers a heated in-ground pool and separate spa surrounded by generous patio space, creating the perfect setting for entertaining or unwinding after a long day. The second yard provides mature trees, open green space, and endless possibilities for outdoor activities, gardening, or simply
